### WORK EXPERIENCE

#### ABA Tutor

Hopebridge

2022 - current / Spokane, WA

- ***Organized six community workshops to raise awareness about autism support resources***, attracting over 204 participants and fostering local partnerships
- Crafted interactive lessons using Jamboard to promote engagement, culminating in over 32 tailored sessions that amplified interaction and participation in learning activities
- Analyzed student data with GraphPad Prism to identify trends, boosting the effectiveness of intervention techniques by 24%
- Developed and delivered training modules on ABLLS-R for 6 new staff members using Moodle, increasing their confidence in assessment protocols

#### Behavior Analyst

Autism Spectrum Therapies (AST)

2019 - 2022 / Bellevue, WA

- Led training sessions for 32 staff members on Rethink Behavioral Health software, fostering a 23% increase in data accuracy across the team
- Coordinated with families via CentralReach to ensure consistent implementation of behavior plans, facilitating improved behavior in 38 out of 42 students monitored over six months
- Evaluated therapy outcomes on ABLLS-R, providing actionable insights that improved intervention strategies for 23 families
- ***Used Google Jamboard in 54 behavioral analysis sessions to facilitate interactive learning and collaborative assessment***, enhancing client engagement and session productivity

#### Behavior Interventionist

The Center for Discovery

2017 - 2019 / Seattle, WA

- Collaborated with four behavior analysts, utilizing Slack for real-time updates and case discussions, enhancing team synergy
- Implemented evidence-based interventions for 11 students, enabling measurable improvements in social skills as tracked by BehaviorSnap
- Participated in ongoing professional development through Moodle, ***completing two courses that enhanced intervention strategies and techniques***
- Designed engaging group activities tailored to diverse student needs, fostering a sense of community and achieving a peer interaction rating of 9.2 out of 10
