EDUCATION

B.S.
Computer Science
University of Florida
📅 2015 - 2019
📍 Gainesville, FL
🎓 GPA: 3.9

CERTIFICATIONS

- OCAJP

WORK EXPERIENCE

Java Developer

Citi

📅 January 2020 - current   📍 Remote

- **Consulted with 400+ users, clients, and other technology groups** on issues and recommended programming solutions
- Analyzed 30+ applications to identify vulnerabilities and security issues
- Conducted unit testing and debugging on 40+ applications
- **Resolved 200+ issues** by identifying and self-selecting solutions
- Served as an advisor and mentor to 25+ new/junior-level developers
- Applied fundamental knowledge of programming languages and industry best practices for 30+ design specifications

Junior Java Developer

IT IDEOLOGY

📅 June 2019 - January 2020   📍 Washington DC

- Participated as a member of a project team to **develop 10+ innovative, high-quality software solutions** in an Agile development environment
- Developed, modified, and designed 6 new pieces of software based on requirements/design specifications
- Assisted in the development of 5 new business and user needs and processes
- Worked with 10+ project teams/sponsors in identifying best solutions
- Promoted top code quality and **solved 100+ meaningful issues related to performance tuning and scalability**
- Built 7 enhancements within existing applications to optimize efficiency
- Supported implementation of 8 software application changes with aggressive deployment timelines

SKILLS

- Java
- SQL
- SOAP
- Springboot
- Oracle
- C++
- Angular
- MongoDB
- Docker
- OpenShift
